ALIGN Leadership Bursary for Non-Accredited Programs

The purpose of the Leadership Bursary is to foster future leadership capacity by enabling senior organizational leaders to participate in formal education and professional development programs that enhance their ability to lead their organization and the field. The focus will be to develop or enhance leadership skills and innovation in service delivery and development, human resource management, organizational excellence and fiscal management. Tuition costs for non-accredited programs (max. \$5,000 and does not include travel). This bursary can be granted throughout the year. This can be a course, workshop, conference etc. but must be leadership focused. The application form must be filled in and signed and then we need the course outline and costs but not all the other information as per the leadership bursary above.
